

SARCAN Recycling depots accept used household paint for reusing and/or recycling. If you have leftover household paint, bring it to SARCAN! If it can be reused, we will put it on the paint reuse shelf at the depot for customers to take free of charge. If the paint is not reusable, we will recycle it.

SARCAN collects used paint on behalf of the Saskatchewan Paint Recycling Program, managed by Product Care, a non-profit association of paint manufacturers, distributors and retailers. Product Care's paint recycling programs are funded by the environmental handling fees paid upon the purchase of new paint.

Paint Your Town Green!

There are 73 SARCAN Recycling depots across Saskatchewan ready to accept your unwanted paint.

Visit sarcan.ca to find the location nearest to you and discover their hours of operation.

Just Finished a BIG Paint Job?

Customers may bring in up to 25 one-gallon paint containers and up to 50 aerosol paint containers at one time without making an appointment.

If you would like to drop off more paint than this daily limit it must be by appointment only. Please contact the depot in your community by phone to book an appointment.

Recycle Like a Boss?

- Do you only have paint? Don't wait in line! Speak with our cashier to find out where you can drop off your paint without standing in line.
- Always keep paint in its original container.
- Make sure your paint containers are tightly sealed with the labels affixed.
- Do not mix different types of paint products together, because mixed paint will not be accepted for recycling.

THANKS FOR RECYCLING AT SARCAN!

HOUSEHOLD PAINT

Accepted paint:

- **Interior and exterior water-based (latex, acrylic) and oil-based (alkyd, enamel) household paint**
- **Undercoat and primers** (e.g. metal, wood, etc.)
- **Empty containers of accepted products with original label** (and original lid if liquid inside)
- **Anti-rust paint**
- **Block filler**
- **Concrete and masonry paint**
- **Deck and floor paint or coatings** (including elastomeric)
- **Drywall paint**
- **Marine paint** (unless registered under Pest Control Products Act)
- **Melamine, stain and shellac**
- **Stain blocking paint**
- **Stucco paint**
- **Swimming pool paint** (only single component)
- **Textured paint**
- **Varnish and urethane** (only single component)
- **Wood finishing oil**
- **Wood preservatives** (unless registered under Pest Control Products Act)
- **Wood, masonry, driveway sealer, and water repellent** (not tar based or bitumen based)

Aerosol paint:

SARCAN accepts all types of aerosol paint, including:

- Automotive
- Craft
- Industrial

Empty containers:

SARCAN accepts empty containers of accepted products. These containers must have original labels and lid.

Rejected paint:

Due to safety concerns, paint containers will be rejected if they are:

- Significantly damaged, leaking, or bulging
- Unlabeled
- Containing foreign objects
- In non-paint containers
- Larger than 20 litres

Not accepted products:

- Industrial paints
- Non-aerosol automotive paints
- Non-aerosol craft paints
- Traffic marking paint
- Two-part/component paints and catalyzed or nitrocellulose based paints
- Paint or wood preservatives containing pesticides (e.g. creosote)
- Tar-based products
- Deck cleaners
- Thinners, mineral spirits, or solvents
- Caulking compounds, epoxies, glues, or adhesives
- Roof patch, tars, or grease
- Colourants or tints
- Fibreglass resins
- Brushes, rags, and rollers
- Other household chemicals
